Program 15c

Sacramento Ice Hockey Association

ICELAND --- NORTH SACRAMENTO

Welcome to the Sacramento Ice Hockey Association, Sacramento's Iceland, and the fastest game in the world today.

The SIHA is now in its 13th year of regular season play and in March will begin the annual Pop Kerth Memorial Playoffs. The four teams — The Argonauts, The Nite Hawks, The Li'l Joe's 119's, and the Pacific Mutual Life Pioneers — play 18 games in the regular season before knocking heads in the best of five playoff series.

The teams play on an ice surface which is two-thirds the size of a regular National Hockey League rink, and shoot at goals four feet high and five feet (one foot thinner than regulation) wide. Teams also play with five men at one time rather than the customary six. Other than the three rule changes, the SIHA follows the regular NHL rules, which may be found in the booklet you received when purchasing this program.

We hope you enjoy tonight's game and return for the next regularly scheduled SIHA contest.
